### Selling Price per Square Foot

The Selling Price per Square Foot is a great indicator for the direction of Property values. Since Median Sales Price and Average Sales price can be impacted by the 'mix' of high or low end Properties in the market, the selling price per square foot is a more normalized indicator on the direction of Property values. The October 2018 Selling Price per Square Foot of \$243 was up 4.3% from \$233 last month and up 17.4% from \$207 in October of last year.
